Consent for Services

As a condition of treatment by this office,, financial arrangements must be made in advance. The practice depends upon reimbursement from patients for the costs incurred in their care. Financial responsibility on the part of each patient must be determined before treatment.

All emergency dental services, or any dental services performed without previous financial arrangements, must be paid for in cash at the time services are performed unless other arrangements are made.

Patients with dental insurance understand the deductibles and coinsurance are charged directly to the patient that he or she is personally responsible for payment at the time of service. As a courtesy, this office will file the patient's insurance forms or assist in making collections from insurance companies. However, this dental office cannot render services on the assumption that our charges will be paid by an insurance company.

A service charge of 1% per month (18% per annum) on the unpaid balance will be charged on all accounts exceeding 60 day, unless previously written financial arrangements are satisfied.

I understand that any fee estimate for this dental care can only be extended for a period of six months from the date of the patient examination.

In consideration for the professional services rendered to me by this practice, I agree to pay the charges for the services at the time of treatment, or within five (5) days of billing is credit is extended. I further agree that the charges for services shall be as billed unless objected to, by me, in writing, within the time payment is due. I further agree that a waiver of any breach of any time or condition hereunder shall not constitute a waiver of any further term or condition and I further agree to pay all costs and reasonable attorney fees if suit be instituted hereunder.

I grant my permission to you or your assignee, to telephone me to discuss this statement or my treatment.

I have read the above conditions of treatment and payment and agree to their content.
